

## MANCHESTER PRIDE PARADE 2025

### TEMPORARY ROAD CLOSURES – SATURDAY 23 AUGUST 2025

We're writing to remind you that the Manchester Pride Parade will be taking place around your business and residencies on Saturday 23rd August 2025.

#### Road Closure Times

We'll be closing Liverpool Road to vehicle traffic from 0600hrs to allow our entrants to form up on Liverpool Road. The road will remain accessible to pedestrians at all times.

The rest of the Parade route closures will take place from 0930hrs and the Parade will start by leaving Liverpool Road at 12pm midday. Once the back of the Parade is clear of an area of the city, we will have our teams come in and clear the area of barriers and clean the streets and it will reopen to vehicle traffic. We endeavour to have all the roads open again by 1900hrs. For more detail, please see the road closure table below.

Our traffic management team has positioned signs along the Parade route to inform people about the scheduled closures. There will be vehicle diversions in place which will be clearly signposted to allow access to areas around the route. All parking bays along the route have a parking suspension in place from 0600hrs to 1900hrs.

If you are located on either **Woollam Place** or **Old Medlock Street**, our security team will be able to escort your vehicle in and out of the closures. We would ask for you to provide a utility bill for easy access and where possible to keep vehicle movement to a minimum.

## Music Curfew

Some of the entrants in the Parade have music as part of their entry and we have advised them that there is a strict music curfew until 1130hrs.

## Assembly Area and Registration Point

Thousands of people will be joining us to march in the Manchester Pride Parade and to ensure we can assemble everyone safely, Castlefield Bowl will be used as a registration and assembly point with check-in desks, stalls and food and beverage vendors. This area will be a hub of activity as people get ready to march. A music curfew will be in place until 1130hrs. People will arrive at allocated times from 0700hrs. Liverpool Road will be used to assemble all vehicles taking part in the Parade.
